

## MID-AMERICA OPEN

The Columbia Missouri Disc Golf Club would like to invite you to the 2019 Mid America Open held on August 2-4th in Columbia, MO. The 2019 event will be the 35th year of our annual tournament. Over the years, 30 different World Champions and 33 different Hall of Famers have attended the Mid America Open and contributed to our historic legacy. We would love you to join these growing ranks.

The tournament features [Harmony Bends](#), the top rated course on Disc Golf Course Review.

Last year, 334 players attended the MAO and set the record for the largest A tier tournament in Missouri history. The MPO/FPO divisions will play one round each day with tee times. Harmony Bends will be used for these divisions on Friday and Sunday.

We are excited about being selected to be a DGPT test event and the possibility of being on the Pro Tour annually starting in 2020. Being scheduled for 2019 between the Idlewild Open and the PDGA Pro World Championships in Peoria, IL, the home of the Ledgestone Insurance Open, is a perfect fit. We will work hard to make the 2019 MAO our best yet and hope to showcase Harmony Bends and the best disc golf athletes in the world in 2020 and beyond.

[Registration](#) will open on January 2nd.

Our community goes above and beyond to make disc golfers feel welcome. Our number one goal is that every player leaves our tournament knowing that Columbia is everyone's "disc golf home away from home". Come and record your name in our history books while playing one of the most challenging courses in the country.
